

Gloucester Child Care Services has a New NAME... and a New LOOK

GLOBAL CHILD CARE SERVICES

Serving the Ottawa Region Since 1974

Same Dedicated Staff, Same Commitment to Quality Care for Children

Why the Changes?

Simply put, it was time. Our recent strategic plan revealed that our employees felt that the agency had evolved to a point where our profile required some updating. The idea of a name change had been circulating for some time, in part because the City of Gloucester no longer exists and in part because some of our programs do not reside in the former Gloucester. We wanted all our staff and clients to feel included in our identity. Our agency was often confused with other social service agencies of a similar name.

Why Global Child Care Services?

All staff members of the agency had an opportunity to be involved in the creation of the new name. The consultative process culminated in a brainstorming working group comprised of representatives from all programs of the agency and from the board of directors. The new name resulted from the work of this group. In its application to our agency, the word "global" sprung from a sense of our desire to work with the whole child, offering a range of services and in all that we do, encircling the child with love and respect.

The New Logo

Our new logo was designed by Jacques Anka; with its warm colours and organic shapes, we believe it conveys some of the cornerstones of our values in caring for children: warmth, safety, nurturance and professionalism.
